

JENNIFER TANG, MD

Board-Certified Nephrologist & Academic Hospitalist

220 East 18th St., Apt 4, New York, NY 10003 · 925.787.1553 · tangjennii@gmail.com

SUMMARY

Board-certified internist and nephrologist practicing as an academic hospitalist and inpatient nephrology consultant at NYU Langone Hospital–Brooklyn, with multisite academic training at USC and UCSF. Clinical interests span acute kidney injury, cardiorenal and hepatorenal syndrome, point-of-care ultrasound, and renal replacement therapy. Teaches internal medicine residents across a core nephrology curriculum. Parallel focus on clinical artificial intelligence: evaluates model generated clinical outputs for accuracy and safety, documents model failure modes as structured feedback to product and model teams, and is developing a longitudinal inpatient benchmark for evaluating clinical AI across a hospital course. Actively licensed in California and relocating to San Francisco; seeking an academic hospitalist appointment with a scholarly focus in clinical AI evaluation and medical education.

CURRENT APPOINTMENTS
